ABOUT US

02

Who We Are & What We Deliver

Score Construct is an Abu Dhabi-based contracting and general maintenance company delivering integrated solutions across infrastructure works, building projects, water networks, irrigation systems, stormwater drainage, afforestation, and building maintenance. Established to support practical project execution with reliability and efficiency, the company serves a wide range of project requirements with a focus on quality workmanship, coordination, and client satisfaction.

Company Overview

Abu Dhabi-based contracting and maintenance company

Integrated infrastructure and site execution solutions

Support across building, water, irrigation, and drainage works

Commitment to quality, safety, and reliable delivery

What We Do

We provide practical execution support across contracting, infrastructure, maintenance, and outdoor development works. Our licensed activities cover roads and related works, irrigation networks, building projects, afforestation, water transmission and distribution networks, building maintenance, and rainwater drainage contracting. By combining execution capability with responsive service, we aim to deliver dependable solutions tailored to each project's scope and operational needs.

A trusted partner for integrated contracting, infrastructure, and general maintenance solutions.

MISSION & VISION

03

Our Direction

Mission

To deliver reliable contracting and general maintenance solutions that support safe, efficient, and sustainable project execution across infrastructure, building works, water networks, irrigation systems, drainage works, landscaping, and facility maintenance.

Vision

To become a trusted contracting and maintenance partner in the UAE by delivering practical, high-quality, and well-coordinated solutions that contribute to stronger infrastructure better-built environments, and long-term client confidence.

Our Commitment

04

Quality Execution

We focus on delivering works with accuracy, proper coordination, and attention to project requirements.

Safety & Responsibility

We support safe working practices and responsible project execution across all site activities.

Reliable Delivery

We aim to complete each scope with consistency, responsiveness, and practical site support.

Sustainable Solutions

We promote efficient use of resources, water-conscious systems, and long-lasting infrastructure and maintenance outcomes.

Driven by quality. Built on trust. Focused on reliable execution.
